The Winter Winetrouth Classic Tournaments culminated in a great day at #6. The weather was prepared especially for us (thanks Bernie!) (If you didn't know, Bernie Brooks is now the official sunshine curator!) At the end of the pitching day a scrumptious pot luck was enjoyed by all and then the following 2008 Champions were crowned: Jr. Girls – Missi Holden; Jr. Boys – David Selmyer; Women's Champion – Jean Covington; and Men's Champion – Jim Petersen. The recipients of the traveling trophy and the most improved % trophy were not present – so those names will be published at a later date, after they receive their trophies.

With 2 tables full of goodies, our expert auctioneer, Jon Turnbull, took over and the bidding began. With the ever entertaining help of 'The Donald' a fun filled afternoon was enjoyed by all. I am excited to report that the 'Junior to the World Fund' grew by \$703.50!!!

A huge thank you to all who so generously contributed to this cause.

It was a great day.

**Barnyard Golf**

Before our sport took on an organized concept, horseshoe pitching was most often referred to as Barnyard Golf.

By 1919, the sport had become widespread and considerable promotion efforts were being made to develop leagues and state associations. The NHPA had formed in 1921 and certainly the name Barnyard Golf didn't project the image the national leaders would prefer. But the newspaper media commonly used the nickname when covering tournament events. Not always, but commonly.

The Barnyard Golf nickname phased out in the mid-1930s but a recent reminder just popped up on the E-bay auction, as a 1925 tournament trophy was up for sale. The engraving was "1925 Tucson Barnyard Golf Championship."

Hello All !

Can you feel it ? Our season is getting ready to go into high gear and the gas pedal will go to the floor (can you tell I work on cars for a living ?). But, I think we all will agree we will need to keep an eye on the gas gauge. Wow, I think we will have to plan our tournaments around gas money. Car pools may be our best way to save money and get to the tournament.

As worlds get closer for us that are going. Remember, space is filling up fast. I think Rhonda and I are renting a motor home and staying at the Expo center. I may find Paul and we may try to play a game or two.

Let's have a great season.

See you on the courts.

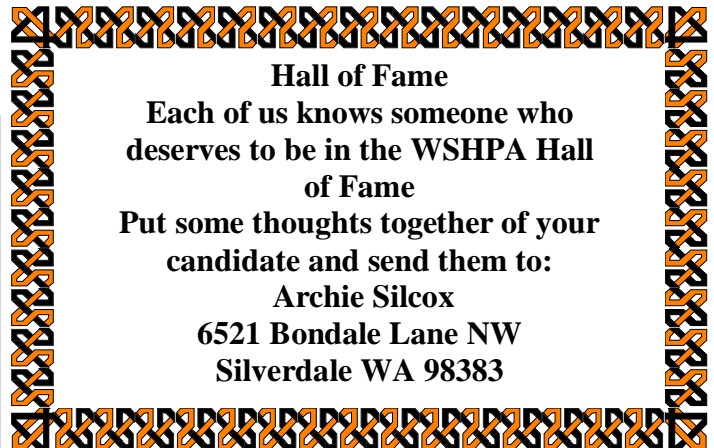

Don

### *Thoughts and Prayers*

#### Shorty

Just to let you all know, Shorty came thru this surgery just fine. I left for home at 9 pm and he was awake and feeling pretty good for what he had been thru. His surgery was at 7:30 am and they finished about noon. All went well. Thanks for all your prayers and good thoughts.  
 Kathy and family

Hello everyone again

Shorty is doing well and we can see some progress. He sat in the chair for over an hour today. His biggest problem is the tube in his nose. He gets a sore throat from this. He will probably stay in the hospital thru the weekend. The doctor is taking everything very slowly this time so we have no surprises. Thanks for all your thoughts and prayers. We can feel them.

Love to all Kathy and Shorty

#### 50th. Vey and Marge

Nearly 50 years ago, on August 9, 1958 a lean motor-cycling riding machine by the name of Vey wed the love of his life, a red-headed earth walking angel name Marjorie. Flash forward 50-years, three children, ten grandchildren and one (soon to be three) great-grandchildren later, The retired, rotund horseshoe pitching Vey and the quilt making not so red-haired angel Marjorie will be celebrating 50 years of marital bliss. To celebrate this event the kids (Jerry, Terry and Denise) are planning a reception in our parents honor scheduled for Saturday, August 9th, 2008 . We will be mailing out written initiations a little closer to that date, but wanted to send this early notice to everyone so you could set aside this date as you make the rest of your summer travel plans.

Hope to see you there!

Jerry Allen

**Food for thought in uncertain economic times:**

If you had purchased \$1000.00 of Nortel stock one year ago, it would now be worth \$49.00.  
 With Enron, you would have had \$16.50 left of the original \$1000.00.  
 With WorldCom, you would have had less than \$5.00 left.  
 If you had purchased \$1000 of Delta Air Lines stock you would have \$49.00 left.  
 If you had purchased United Airlines you would have nothing left.  
 But, if you had purchased \$1,000.00 worth of beer one year ago, drank all the beer, then turned in the cans for the aluminum recycling REFUND, You would have had \$214.00. Based on the above, the best current investment advice is to drink heavily and recycle.

It's called the 401-Keg Plan.

### One-on-one with Russ Phillips (February 2008)

Russ Phillips and I talked over the phone for a one-on-one Tuesday night. Russ is so fun to talk to about horseshoes...actually, Russ is fun to talk to (period).

I am going to ask him a couple of questions, but for the most part I am giving you my take on him. As you all know, I haven't been pitching for a great deal of time and I think Russ is a guy that pushes us to be as good as we can be. In my time of pitching, I haven't met anyone so full of joy and so competitive as Russ. As a lot of you know, Russ turned 70 this month. I was going to give Russ a gift, but a family function prevented me from making the trip to the birthday party. I was going to give him a book on "How to properly pitch horseshoes" and an old jacket. Anyone that has seen Russ pitch knows why the book. But the coat is because when I win the state tournament I don't want him getting cold !

Now, down to business. I asked Russ when he started pitching. He said in 1997. He won his first state championship in 2000. He was also the men's state champion in 2001-2003, 2006 and 2007. He is also planning on winning the 2008 – we will see about that.

Russ blessed us with the title of the Washington State Horseshoe President for one term.

Russ's best world finish was 17<sup>th</sup> .

Now that Russ is 70, the big question is : Will he be going to 30' pitching soon ? Only time will tell.

It was a pleasure talking with Russ. He left me with this advice to share with you :  
 "Don't throw like me, watch good pitchers". (well, that is what I heard)
