Greetings From Northern Minnesota

Jim Link

Until we hear from someone 'who was there' and can tell us "the rest of the story" this is what the stats coming over the internet told us. The Junior Classes were pitching on Thursday and Friday, Saturday was the Championship Finals. The first day's results were not good. Matt was pitching alarmingly below his average. Entering World with an average of 70.29 after six games he was tied with three others, in third place, average way down. Unable to get a wireless signal on Fri evening, we went to a local restaurant on Sat. Morn...wireless available, good news...Matt had won his class losing only one game averaging 68.64%. Stayed up late Sat. night went down to the restaurant to get results, no results posted. Went to bed.

Sunday morning, back to the restaurant, Wireless signal good, booted up Matt had won the Junior WORLD Championship 9/0 averaging 77.16%.

Hello all,

Well, here we are ready to compete at the highest level, the World tournament in Cedar Rapids. Good luck to all that are going. I won't be surprised to see a couple of world titles come home to

Washington !

On another note, I went to Toledo for the Cheese Day Tournament. What a blast ! Stan Speers put on a real fun tournament. It makes me think that it is what horseshoes used to be like.

Also, I want to say congrats to Stan Speers and Herb Criss on the two newest Washington State Doubles Champs. I am thrilled to have both of them our state doubles champs.

The Olympia club did a great job hosting the Lakefair and Doubles tournaments. Being in the Lakefair parade was awesome. Thanks to the Tutewiler family for making the doubles tournament work so well. We couldn't have done it without you.

See you on the courts.

Don

Thoughts and Prayers

I have some sad news to share. Bob Ives, a long time friend and horseshoe pitcher that was active in the Columbia Basin Horseshoe Club during the 1980's and 1990's, passed away Monday night. He was diagnosed with Lou Gehrig's Disease earlier this year. Bob was an ardent supporter of horseshoes and a real pleasure to be with. He had a heart that went out to those that were hurting. He was appalled at injustices in the world and especially to those in less fortunate circumstances. Bob was truly what friendship is all about. He will be missed. Vey

This is a copy of the death notice published in the Tri-City Herald on June 30:

Robert M. Ives

Robert M. Ives, 64 of Kennewick, died June 29 at Kadlec Regional Medical Center in Richland. He was born in Glens Falls, NY, and lived in the Tri-Cities since 1985.

He was a retired copier technician for Abadian.

Life Tributes Cremation Center, Kennewick, is in charge of arrangements.

Graveside services will be at Desert Lawn Memorial, located at 10th and Union in Kennewick, on Saturday at 10am.

Pitches Horseshoes for his heart

Ten Thoughts to Ponder

Number 10 Life is sexually transmitted.

Number 9 Good health is merely the slowest possible rate at which one can die.

Number 8 Men have two emotions: Hungry and Horny. If you see him without an erection, make him a sandwich.

Number 7 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks.

Number 6 Some people are like a Slinky-not really good for anything, but you still can't help but smile when you shove them down the stairs.

Number 5 Health nuts are going to feel stupid someday, lying in hospitals, dying of nothing.

Number 4 All of us could take a lesson from the weather. It pays no attention to criticism.

Number 3 Why does a slight tax increase cost you \$800.00, and a substantial tax cut saves you \$30.00?

Number 2 In the 60's, people took acid to make the world weird. Now the world is weird and people take Prozac to make it normal.

And The Number 1 Thought Life is like a jar of Jalapeno peppers--what you do today, might burn your ass tomorrow.

--- and as someone recently said to me: "Don't worry about old age--it doesn't last long."

Thanks Patti Goodwin

In Memoriam

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last week. Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in. And then the trouble started.
