We have always social distanced.

Make sure it's a ringer.

Only Russ Phillips could have a horseshoe halo!!

President's Reflections

On March 7, 2020 our Winetrout 5 tournament was held. We all had fun and looked forward to Winetrout 6 scheduled for March 21st. Then Covid 19 came and life for all of us was dramatically changed. We are all anxious and eager to pitch again in a tournament. Will we even have any more tournaments this year? We just don't know but we are hopeful. Our horseshoe family is starving for fellowship and good, fun competition. Can you hear the calls off in the distance? ["Two dead one", "One ringer three" "No score" "One point", "Four dead"] We all hope and pray that this virus will dissipate very soon so we can gather together and call out those words. PLEASE CHECK THE SCHEDULE IN THIS EDITION. KITSAP HAS RESCHEDULED THEIR TOURNAMENT ASSUMING THE RESTRICTIONS ARE LIFTED. I have contacted our Executive Board and we agreed to a temporary change in our bylaws due to the covid 19 outbreak. The existing bylaws state that pitchers need to participate in two tournaments prior to the State Tournament. THAT WILL NOT BE THE CASE THIS YEAR. **IF WE HOLD THE STATE TOURNAMENT IN SPOKANE THIS YEAR PITCHERS CAN ENTER IF THEY PAY THEIR ANNUAL DUES. YOU DO NOT NEED TO COMPETE IN A TOURNAMENT AHEAD OF**

TIME. So we are eager to pitch as soon as possible this year but unfortunately, we wait for some good news regarding this pandemic. God Bless, Jon

Horseshoe Bend was formed by water following its natural path of least resistance. The sheer cliff walls are made of Navajo Sandstone, a particularly dense type of sandstone. In the process of erosion, the sandstone acted as a natural barrier, forcing the water to make a sharp bend in the river through softer rocks. Aug 29, 2018

A farmer travelling with his load
Picked up a **horseshoe** on the road,
And nailed it fast to his barn door,
That luck might down upon him
pour; That every blessing known in
life Might crown his homestead and
his wife, And never any kind of harm
Descend upon his growing farm.

HISTORY & NATURE

Horseshoe Bend's rock walls have a variety of minerals, including hematite, platinum, and garnet which gives this scenic view a breathtaking 1,000 foot drop.

The overlook is 4,200 feet above sea level, and the Colorado River is 3,200 feet above sea level.

The World Tournament was cancelled this year, but the NHPA Delegate General Meeting was held on Saturday, July 18, 10:00 a.m. via Zoom. There were 68 delegates gathered online.

The meeting was conducted by Jim Kinney Jr. Sec/Treas. And Stu Sipma, Pres.

We went through the proposed By-Law changes that had been submitted. There was good discussion and we voted on each by email. The results were sent to each of us the following day.

Also a video his being sent on the 2021 World Tournament in Winnemucca, NV. by Kim Peterson.

The officers up for election were 2nd V.P. – Laurie Lampkin, 4th V.P. – Wayne Callicoatte, and Sec/Treas. – Jim Kinney Jr. All were running unopposed so were elected by acclamation.

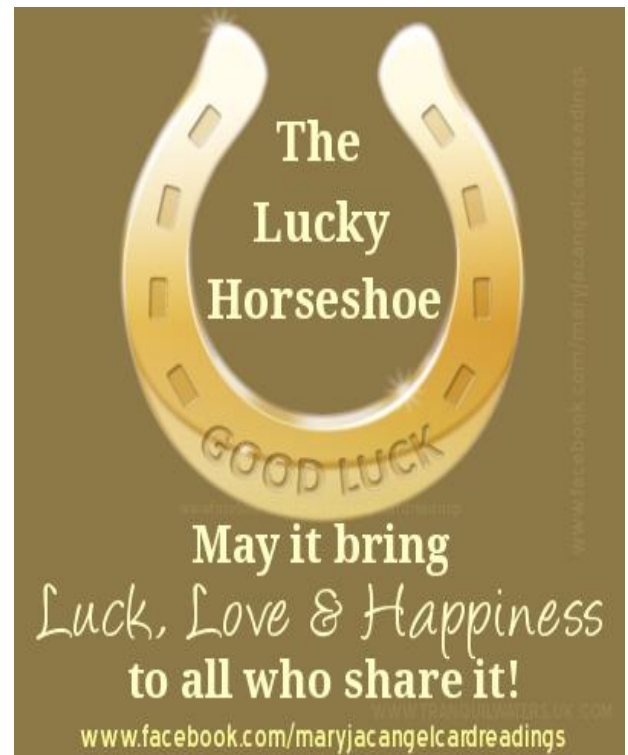

Stan Griggs presented a promotional idea they are working on. They are considering putting together sets of horseshoe pitcher cards for collectors. More info will be coming in the Newline.

All were asked to consider including photos at the World Tournament with your entry fee – raising it from \$135. to \$150. I feel this would be a good idea.

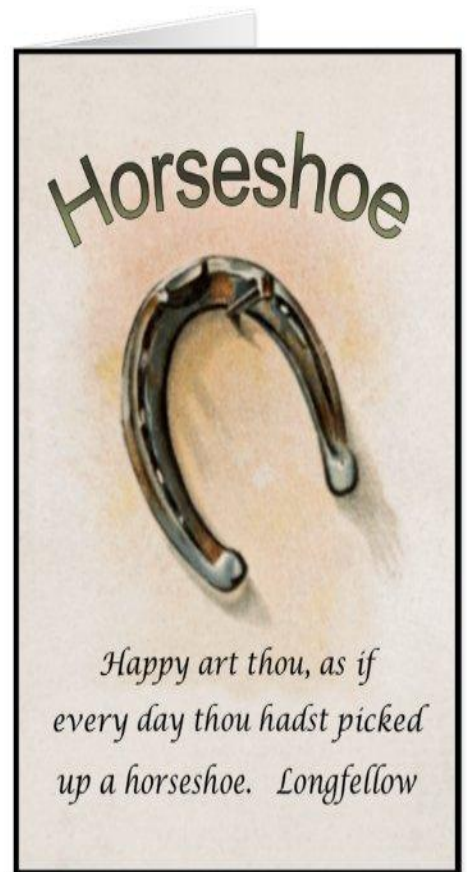

Stu Sipma who has been the NHPA President for the past 13 years, announced that in two years when his term expires, he will not be running for reelection.

The meeting was adjourned at 12:15 p.m.

Phyl Quist, WA delegate 4
