Happy New Year!!

Commentary: Jim Link

Shoes news renewals are coming in, and with the Winetrouts under way, memberships have gotten off to a good start as well. That was one of Winnie's goals when he started the Winetrout series, to encourage early renewals to the Association. The following is excerpted from a Jan copy of the 1998 Shoes News.

This series of six tournaments was started by Francis "Winnie" Winetrout in 1966. They serve a dual purpose—to encourage early renewal of State and National memberships and to give those of you who are hardy enough to brave rain, wind, sleet, snow, and sometimes sunshine, a chance to keep your pitching skills up to a competitive level on a year round basis. Besides it is always nice to see and visit with our pitching friends.

Winnie furnished the class trophies for the first series as well as those for the greatest percentage improvement and for mileage traveled. He continues to award the last two trophies as well as monetary awards. The mileage trophy is awarded to the pitcher who has traveled the most miles, on way, and competes in at least five (5) of the series. The winner of the most improved percentage trophy must also compete in at least (5) of the series. Pitchers cannot win either trophy more than once.

For these 6 tournaments only, scoring consists of counting all of the ringers made by each pitcher in a game. No single points are counted. Class winners are determined by win/loss records.

The Winter classic is sanctioned by the WSHPA and the NHPA, and is included in our State Plaque program.

Winnie, also known as "Mr. Horseshoes" has continued to support the Classic and Washington State Horseshoes both financially and in person. He is truly a good friend and one of the very special people in our sport.

It's time to renew your ads in Shoes News. Existing ads will run until the April issue.

Hello Friends and Competitors,
It has been a bummer couple of weeks.

First, my Uncle Phillip Fishel past away. He was a previous Washington State Junior State Champion back in 1954 and 1955. Uncle Phillip had some influences in the way I pitch. I have some very fond memories of him.

Then my Grandmother, Blanche Davis, passed away at age 96. Some of my earliest memories of watching horseshoe pitching took place at my Grandma's house in Ohio when I was just a toddler. While I was at my Grandma's graveside service, I heard a great line...."On our tomb stone is the date we are born (slash) the date we died. It is the (slash) that defines us." Let us work hard on the (slash).

See you on the courts.

Winetrout I & II

The first Winetrout brought out pitchers from Oregon, both sides of the mountain, and a few new faces on a pleasant January winter day. A little sunshine, good pitching, a birthday cake for Cy Kitchen, handshakes, hugs, and greetings as our horseshoe family met for the first tournament of the new year. 37 pitchers showed up including 7 Juniors .

The second Winetrout brought out fewer pitchers. Ray Powell was the only Eastern WA pitcher to make it over the pass. on a frosty winter morning. Threatening snow and a low turnout allowed everyone to pitch in the morning so things were wrapped up in time that everyone could be home early.

Congratulations to Bernie Brooks who won class D. Good to see Bernie back on the courts after dealing with some health issues the past year.

The third Winetrout will hose the winter WSHPA meeting. Call or email Don with your agenda items.

Just an email to let all know that John McCarthy took a really nasty fall last Sunday at home. He slipped on the ice and broke his right leg (in several places) as well as his ankle. They rushed him into Sacred Heart Medical Center where they did surgery on him last Monday. He is out now and back home trying to heal. But I am sure he would love to hear from all his horseshoe friends. (Even in the hospital he was trying to recruit his hospital staff, help and I think 1 nurses are very interested in pitching next season. His Cell # is 509 842 4858 and his wife's is 509 842 4959. Please send out a prayer request that he heals OK so he may pitch again in the future.

VANCOUVER — Gerald Lee Staley, a three-time All-Star and World Series veteran who compiled a career record of 134-111 with a 3.70 ERA from 1947-61, has died at age 87. Staley died Wednesday of natural causes at his home in Vancouver.

Staley was born in nearby Brush Prairie on Aug. 21, 1920. He was superintendent of the Clark County Parks and Recreation department for 17 years after baseball. He was inducted into the State of Washington Sports Hall of Fame, and the Clark County Hall of Fame.

From Barry Chapelle

Oregon's all time best - Bob West - died on Dec. 23. Fortunately, I got word on Christmas day and was able to attend his funeral on Dec. 26. He was 85 and had been on oxygen for several years.

Gerry Staley died on Dec. 26. There has been no obit in either the Vancouver or Portland papers, but Art Gee saw a write-up in the Roseburg sports section which highlighted his baseball career.

It said he died of natural causes. He was 87.

Playing Rules

RULE 1 – PITCHING DIVISIONS

Section A – Juniors (See GUIDELINES PART II REQUIREMENT 6, for exceptions and additional information)

1. Junior Cadets (any pitcher nine (9) years old or younger for the entire calendar year)

Junior Cadets may pitch from any place on the extended or full-distance platforms and shall observe the twenty-foot (20') foul line. *Note:* Junior Cadets may choose to move into the Junior Boys or Junior Girls prior to the age guidelines, but cannot return to the Junior Cadets, once this declaration has been made.

Pete Mott’s motto has a certain ring to it: Have horseshoes, will travel. The Castle Rock man is one of two nationally sanctioned players in the local area. Armed with portable pits, multiple sets of horseshoes and the desire to spread the love of the game, Pete said he will provide lessons to any school or group who wants them, free of charge.

The retired Weyerhaeuser worker only started playing horseshoes regularly seven years ago, but his passion for pitching reared in response.

He picked up the sport while he and his wife were in Palm Springs, Calif. They parked at a campground, and the 73-year-old discovered six horseshoe pits at the rear of the complex.

“So I started throwing. I threw for about a half hour or so. I was ready to quit,” he said.

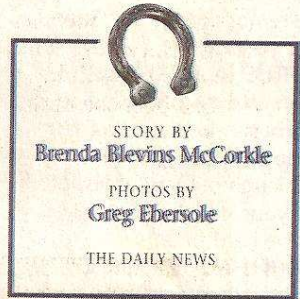

A man from whom he’d borrowed the shoes put a bug in his ear.

“He said: “Tomorrow morning. Horseshoes at 9 o’clock. Be there,” Pete said, chuckling.

His technique was anything but stellar.

“I was so poor of a thrower, that they let me go halfway between 30 and 40 feet for the first three days, then they made me back up,” Pete said.

The distance from which a horseshoe pitcher throws depends on two things: age and sex. Children under the age of 9 throw from 20 feet away, while teens, women, the disabled and men older than 70 throw at 30 feet. Adult men younger than 70 typically toss their shoes at a stance 40 feet from the pit.
