Commentary: Jerry Clark

n Friday, January 3rd, I received a phone call from Jon Turnbull informing me that one of our long-time Skagit club members, Beth McKay had passed away on New Years eve. She was a real sweet lady, who along with her husband George were an integral part of the club that welcomed me with open arms in 2009. Her funeral took place on Saturday, January 11th in Mount Vernon, and we will all miss her dearly. Due to those wanting to attend her funeral, and a couple other schedule conflicts, it was determined that Winetrout I would be cancelled. On Jan. 25th at Winetrout II a decision was made to not reschedule.

I have a question for my fellow horseshoe pitchers. At the beginning of each new year, do you set any personal goals, or have any levels of achievement that you would like to reach by the end of the year? The great philosopher, Yogi Berra, once said, "You've got to be very careful if you don't know where you are going, because you might not get there." Of course, there are different kinds of goals. There are 'subjective' goals such as, I want to be a better pitcher, or I need to spend more time on the practice courts, or I would like to get to know some of my

WINETROUT I Cancelled - not rescheduled

WINETROUT II Great weather - Great turnout

BUFFALO NY

JULY 14-26, 2014

What a great day we had at Winetrout II! There were 31 pitchers in all, including a few first timers. We were treated to Chamber of Commerce weather, especially for late January with temperatures reaching into the low 50's. The food provided by the Bellingham Club was great, and to wrap up an outstanding kickoff to the 2014 season, there were lots of high percentages thrown during the unseasonably warm day.

Every Tournament Starts with... "I pledge allegiance to the flag, of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Hello everyone! As we all know the Seattle Seahawks are headed for New York and in a couple of months even more of us will be heading for that state. We too can be playing for a world title. In the words of Russell Wilson, "why not us". Why can't we be the guy or

gal to take the class we will be playing in? Why not us? I believe all it takes is dedication. Spend a little more time working on our swing, maybe a release, or maybe just the speed of our swing? But every one of us has the talent and the ability to take the next step and fill in the blank of, why not us.

I am sure everyone knows that Winetrout 1 was canceled. I should explain to everyone that had not heard. After the Seahawks posted when their 1st playoff game was going to be played and one of our own, Mrs. Beth McKay had passed away and her services were going to be held that same day, we found ourselves with no one to run the table or the tournament. So the thing to think about is, do we want to move it? Or just let it be? I would like to try and put it between one of the other Winetrouts. What do you guys think?

With everything that horseshoes is, I would like to pass along something that I have noticed the past couple of years. I think it is something that gets overlooked as we travel and spend time together. I am sure a lot of you have met my Dad and Mom over the years and if you spend much time with them you will see a lot of them in me, and that is something I am very proud of. But if you look around and talk to the people that pitch in our tournaments you will see a lot of them in me as well. I hope you see the fun loving way we can take events and make fun of them like Russ does. The competitive side and focus like Matt. Sometimes a little over thinking, like Jon Turnbull. Or maybe just a relaxed approach like Gaylord Lund. I guess what I am trying to say is if someone asked you why we pitch horseshoes. We should say, I think it is simple when you play horseshoes, you are just playing yourself.

See you on the courts, Don

In Loving Memory of Anna Beth McKay

Anna Beth McKay, a long time resident of Skagit County passed away on December 31, 2013. Anna Beth was born on November 6, 1925. She was one of 10 children born to Fred and Addie Paschal in Parsons, Kansas.

Anna Beth met George W. McKay on the battleship U.S.S. California in 1943 and they were married Jan. 22, 1944. They moved to Mount Vernon in 1946 and

lived in Mount Vernon and Burlington ever since.

They had three children: Judith Mary Sauer, husband Joe Sauer from Big Lake, WA; Edward William McKay, wife Marsha McKay from Joyce, WA; Richard Allen McKay, wife Eiren McKay from Clear Lake, WA.

Anna Beth was preceded in death by her parents, eight of her brothers and sisters. She is survived by her husband George, all three children, 6 grandchildren and 4 great-grandchildren and her brother Claire Paschal residing in Port Hadlock.

Services were held at the Hawthorne Memorial Park, Saturday, Jan. 11 followed by a Memorial Service at Calvary Baptist Church in Burlington. Donations and memorials may be made to Alzheimer or your favorite charity. The family would like to thank the staff of Birchview Memory Care Center of Sedro-Woolley, for their loving care.

Please remember George in your prayers.

Dear Horseshoe Friends,

Our prayers are needed for Rick and Pat Rebman. Pat has been diagnosed with a severe case of lymphoma - she has almost no white blood cells and an almost non-existant immune system. She has had some chemo and it seems to be helping, but she is not in good shape. Rick said the doctor thinks that it is treatable. Let's pray that he's right. I don't know how many days she was in the hospital, but she returned home just this morning. Rick has had to have the house completely sterilized - new bedding, furniture, curtains, washer-dryer, etc.. Pat has to wear a face mask and, I think, is still pretty much bedridden. They are in their winter home in Arizona and most of the family is there with them.

I will be checking in with him again next Monday and hope to be able to give a good report. Barry

PLEASED AND PROUD...

'Pleased and Proud' was the way I felt when I opened the first Shoes News coming from the Clarks of Camano Island. It's hard to describe the feelings that came over me as I looked over the newsletter. Knowing the frustration that can overwhelm one when dealing with new tasks and unfamiliar equipment, I marveled at the professionalism, the artistry, and the warmness of the content in the newsletter. With that issue behind them, seeing the quality of the product that they produced, I'm even more convinced that it was 'time' to turn it over to someone else. Thanks Jerry and Susan...Shoes News is in good hands. Jim Link

Hi Jerry, I am passing on some news of recent injuries to three horseshoe pitchers.

Olympia pitcher, Marlin Kerstetter, fell from a ladder and suffered a severe head injury. He was in the hospital two weeks, then in rehab. He is now in a care facility, has improved somewhat, and is talking.

Bob Brown, also of the Olympia club, suffered a fall that injured his wrist.

Terry Moore, Kitsap pitcher, fell from a ladder, landing on asphalt, and broke bones in his heel. He will have surgery and will be unable to put weight on that foot for three months.

We send our get well wishes to these three, with the hope they will be back with us on the courts in 2014.

fellow pitchers better. There are also 'objective' goals like, I want to finish the year with a higher ringer percentage than last year, or I'm going to enter more tournaments than I usually do, or I'm going to go to the World Tournament this year. I hope some goals that all of us want to work toward is to always have fun competing, and secondly, to make playing an enjoyable experience for our competitors and all those associated with our tournaments. Finally, and this is important, we should all consider ourselves to be full-time ambassadors for our game. I thought Art Sperber brought up a great idea at last years state banquet. He suggested that we should wear our state championship jackets, and for those of us (like me) that are still waiting for one of those, I would suggest maybe even our club or state shirts as we are out and about in our communities, and tell anyone who'll talk with us about horseshoes.

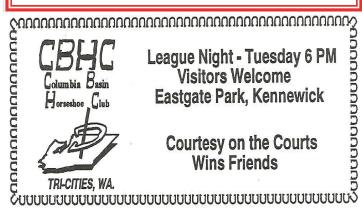

Last April, the Skagit Valley horseshoe club sponsored a booth at the Tulip Festival street fair in Mount Vernon. It ran from Friday to Sunday, and we had club members sign up to work the booth in two hour shifts. Our club president, Jon Turnbull put together a nice eye- catching display of the various styles of new horseshoes, and we had some colorful brochures to hand out to anyone who stopped by. It didn't hurt that we have some pretty fair horseshoe promoters, Jon, Ray DeBoer, Darrell Koistinen, Harry Dawson, Linda Pransky, Ross Scott, Nic Nicholson, and Mark Young. On Friday afternoon, Mark and I must have talked to 30 or 40 people, and as a result of that weekend, we had a number of inquiries, and a few new people coming to our Tuesday night practices, and most of them practiced with us all year. Word of mouth is still one of the very best sales techniques ever. You never know, you just might be talking to the next Alan Francis. Hey, don't laugh, a long time ago, somebody asked Frank Sinatra if he wanted to sing in the choir, and we all know how that worked out.

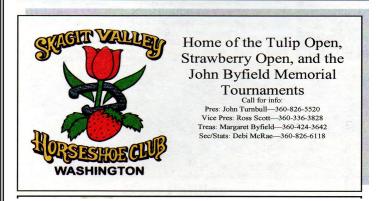

2014 Renewal Time

See the rate schedule for memberships and newsletter renewals on the inside of the back page. All the subscriptions for ads and the newsletter expire

in March. If you have not renewed your ad or your membership, you will not get the April issue, and your ad will not appear. Your club ads and your timely subscriptions are important. As always, if you go south for the Winter, you will have to re-subscribe before you can pitch.

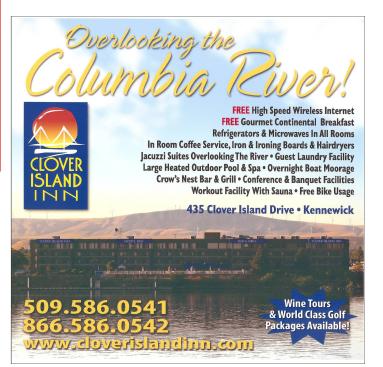

The Tournament Pitcher of the year begins with the Tulip Open. This year, if you pitch out of State, let Shoes News know.

We will credit you with extra points. Also, let us know if you're going to World, you can earn points there.

PRESIDENT'S DAY IS FEBRUARY 17TH

President George HW Bush & Russian President Boris Yeltsin pitching at the White House in 1992.

President Bush and Harry Truman enjoyed pitching horseshoes.

Harry Truman created a horseshoe pit just off the Oval Office but it was later removed. George HW Bush added a new one next to the swimming pool and even persuaded world leaders to toss a few horseshoes.

NHPF Announces Board of Director Changes

The NHPF Board of Directors would like to announce a few changes in the responsibilities of its officers. After 30 years of service to the NHPA and NHPF Dave Loucks has retired. We'd like to thank Dave for his many years of service. As many of you know Dave held both Treasurer and President Offices, with his retirement these offices have been redistributed as follows: Casey Sluys, President; Gary Buehler, Treasurer; Phyllis Quist, Secretary; Joe Faron, Vice President and Superintendent of the Building; Stu Sipma, NHPA President.

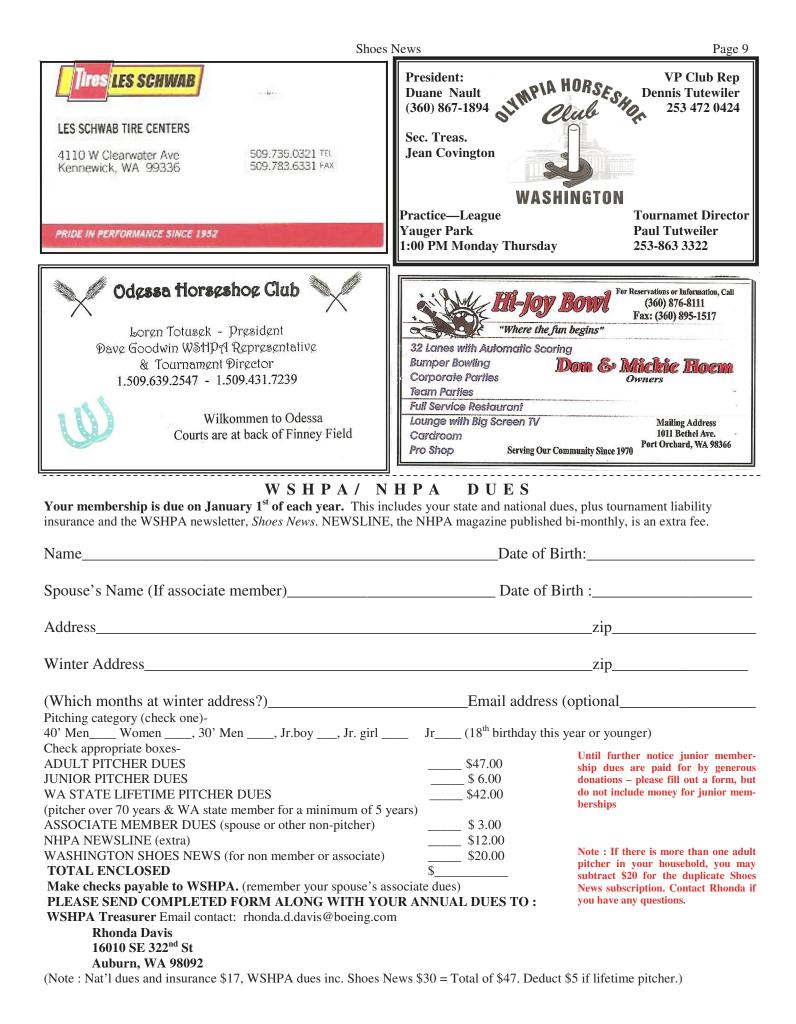

There is a significant change in the donation address. All donations from this date forward should be sent to: NHPF, 100 Bluestem Way, Wentzville, MO 63385. All brick orders should also go to this address and should be addressed: NHPF Brick Order.

We hope to increase the awareness of the NHPF to each of you and as a branch of that each Charter President has been sent a request to include our NHPF website as a link on your Charter's website. If you want to link us on your club website please feel free to do so. To all those of you who have supported us in the past we thank you sincerely and hope for your continued support. To all those who do not know about us please visit our website at: http://www.nhpf.info/index.html we look forward to your support. We will occasionally use this media outlet as a means of communicating our accomplishments to you.

Thank you very much, Casey Sluys, NHPF President | 707-477-8893 | kcslus@sbcglobal.net
