Commentary: *Jerry Clark*

Many of us have morning routines that are hard to break. Mine is driving in to Stanwood from the Island and having breakfast while I read the morning newspapers. The café I usually go to, is like getting in a time machine and going back to the 1950's. The appeal for me, is that the plates are big, and loaded with food. While there, I see many meetings of city groups and clubs, they are usually meetings of the leadership, and they seem to be getting quite a bit done over breakfast. One day recently, I saw the High School basketball coaching staff in there talking over strategy. That got me thinking about our team, the WSHPA. Just like that basketball team has five players on the floor, each with certain skills and responsibilities unique to the positions they play, they must all contribute fully, to make the whole function as one, with chemistry, in order to be successful.

That's the goal most organizations are very much striving for. The WSHPA is no exception. It has long been said of organizations that 20% of the people do 80% of the work. In past years the WSHPA had membership rolls numbering 200, 300, or more and thus the volunteer pool was much larger. We haven't gotten the final

2015 WORLD HORSESHOE TOURNAMENT WILL TAKE PLACE IN THE HEARTLAND, TOPEKA, KANSAS

Anyone can pitch in the World Horseshoe Tournament in Topeka, Kansas. Many first time pitchers become World Class Champions in the lower ringer average classes while more experienced pitchers become World Class Champions in the higher ringer average classes.

The 2015 World Tournament will be held on 50 indoor clay portable courts in the air conditioned Expo Centre. Kansas held the first World Horseshoe Tournament in 1909 at Bronson, Kansas.

The two-week world tournament is held each summer to crown class champions and an overall World Champion horseshoe pitcher in each of eight divisions—Men, Women, Senior Men (60+), Senior Women (60+), Elder Men (age 70+), Junior Boys & Girls(13-18) and Junior Cadets (12-and under). Pitchers will be competing for approximately \$200,000 in prize money, trophies and scholarships, as well as the right to call themselves “World Class Champion.”

Participants will pitch 3 days (approx. 5 games will be played each day). Top qualifiers will advance to the championship round. We are expecting 1200 total entrants from the United States, Canada and several other countries.

Step 1: You must become a member of your state association (go to NHPA website: horseshoepitching.com and click on How To, then Join Us for listing of charter secretaries / treasurers or click on NHPA, then Charter Links).

Step 2: You must compete in a minimum of 4 NHPA sanctioned tournaments prior to May 15 2015. All NHPA sanctioned tournaments seed entries by their ringer average so you are always pitching with other folks who have about the same ringer average or skill level as you.

Step 3: Fill out and send in the 2015 World Tournament entry form when it becomes available on the NHPA web site in early Feb 2015.

He we go again! The year has started...and what a start. We picked up one new member to start the Wine-trout series. Russ is taking off where he left off last year! Wow... I need to start drinking whatever it is he drinks!

We had 24 pitchers on a very calm day in January. It was great seeing everyone. We were missing one of our team that is in our thoughts and prayers, Jerry and Susan Clark could not make it and there was a noticeable hole in our group. Thank you, Phyllis for bringing your computer and running the tournament at such short notice. Also thank you to the Kitsap crew for lunch on a cold wet day nothing better than Chili! Thank you Carol and Art.

As always the courts were top notch. It is so nice to be pitching and trying to improve the percentage. I see a lot of people working on their game as well.

We are talking about starting one of the Winetrouts at 10 O'clock that way we can have a little work party to help out the Everett club. They have worked so hard over the years; it is time for us to help them.

Well that is it for now.
See you on the courts.

Thoughts and Prayers

Audrey Criss July 26, 1924-Jan 5, 2015

Audrey A Criss, wife of long-time pitcher, Herb Criss

“Our beloved feisty-natured mother, Audrey A. Criss, 90, peacefully passed away at her home on Jan. 5, 2015. Her full focus in her life was on her family; she was a great support to her husband of 68 years.” Though her family was of primary importance to Audrey, she was also a faithful “horseshoe wife”, attending many tournaments and World Tournaments with husband Herb. Her creative personality was shown, not only in her interest in handcrafts, but also had a horseshoe connection. At the 1987 World Tournament in Eau Claire, Wisconsin, she came up with the idea of making signs to use to root for our husbands. We bought rulers and taped them to paper plates. With markers we wrote “Go Herb!” and “Go Art!”, and waved them at appropriate times! Another idea came when Audrey developed a signal for our league play. It started with a whistle or a toy train whistle that she blew each time a “6-6” (four dead) was called. When she forgot to bring a whistle, she “trilled” a loud noise. That’s been our 6-6 signal ever since! The Crisses and the Sperbes traveled together to many horseshoe events. We miss those fun times and we will miss Audrey.

Cards can be sent to Herb Criss, 6174 Fern Leona Rd NW, Bremerton WA 98312.

Donations can be made to Hospice of Kitsap County, PO Box 416, Silverdale, WA 98383.

Thank You, Carol Sperber

A NOTE TO OUR SNOWBIRDS:

Just a reminder to those who winter in Arizona, California, and other warm places. If you want to receive your Shoes News at the correct address, make sure I have your winter address and what month you want me to switch mailing to your Washington address. Another important item, is to make sure you include your space number or lot number in your address. I get a number of newsletters returned simply because they don’t have that information in the address. If any of your information changes, please let your Shoes News editor know.

WSHPA Seeking A Jr. Promotions Director

The WSHPA is looking for a new Junior Promotions Director. Jim and Phyl announced in September that they would be stepping down as Jr. Promotion Directors as of January 1st.

Here are some areas that the position covers:

- ◆ Promote Junior membership;
- ◆ Recognize and encourage all Junior pitchers;
- ◆ Help clubs with trophies and/or ribbons and awards for winners at their tournaments;
- ◆ Have a Junior Committee of at least 3 - 4 adult horseshoe pitchers;
- ◆ Head up the Junior Hall of Fame Committee (The Junior Committee members are the voting contingent for Jr. Hall of Fame entrants);
- ◆ Set up Junior party at the State Tournament;
- ◆ Determine the amount of financial support for all Washington Junior entrants to the World Tournament;

The main requirement is that you love horseshoes and know that the younger generation is the future of our sport.

If you are interested in working with our young Cadet and Junior pitchers, please contact Don Davis at (253) 735-0213.

PRACTICE

I’ve heard that there have been a few complaints about the shoe check in lines moving too slow at last year’s World Tournament. Don’t worry, this year we’ve got a couple of celebrity judges to see to it that this will not be a problem in 2015. Judges Bill Belichick and Tom Brady will see to it that there is ABSOLUTELY NO CHEATING, and the lines will move along very quickly!

total of memberships for 2015, but my guess is it will be around 140 pitchers.

President Don Davis mentioned in the January Newsletter that we will need to give the Everett Club help in preparing the courts for the Winetrout Tournaments this year. Last year the WSHPA needed a new Shoes News editor, and a new state statistician. This year we are looking for someone to take over as the new Junior Promotions Director. These needs come up, and when they do, we need people ready and willing to challenge themselves to step up and fill the void.

Each one of us can do something. We all have unique skills and abilities that the WSHPA needs. There are those who can help by bringing food to tournaments or help with court preparations and clean up after the tournaments. No jobs are unimportant, un-needed, or un-appreciated by our clubs and Tournament Directors. As a matter of fact, with many of our clubs getting smaller I know they could use some helping hands at their tournaments. You know the old saying, "many hands make light work".

One of our greatest needs is to find people who have marketing and/or promotional skills. Jon Turnbull is our Promotions Director and would welcome any of your ideas. Speaking of marketing and promotion, here is another idea I have been giving a lot of thought to. I realize before I say anything about this, that it may not be a popular idea to a number of our pitchers, but hear me out. I notice there are a number of our pitchers that wear all white at our tournaments, and personally, I think they look very sharp, and extremely professional. Whether you've thought about this or not, we ARE the professional Horseshoe Pitchers of the State of Washington. Oh, there may be a few more good pitchers out there that don't belong to the WSHPA, but how good would they be if they were playing against pitchers just as good as they are, for six or seven games?

My thought is, since we are professionals, maybe we should dress like professionals. At many of our tournaments there are a number of people just watching us or walking around the courts observing, and can you imagine how much more impressive a sight they would see if the competitors were all dressed in white? Remember, we are trying to sell our sport to the public, in hopes of attracting new members. All pitchers would need a club shirt, or if they don't belong to a club, a shirt with their name and city on the back along with white pants. When standing back and looking, at the courts full of pitchers now, it looks like we're a rec-league instead of the best horseshoe pitchers in Washington state.

Give this idea some thought. Maybe some of these "great pitchers" that don't belong to the WSHPA would want to try their luck against the best in the state.

Some topics are not easy to bring up to the membership, and these are certainly a couple of them, but I love our game too much, and don't want to sit back and watch it become too weak to survive. These ideas are just food for thought, some of you may have even better suggestions as to how we can spur interest in horseshoe pitching in our state and in so doing, boost our membership. Wouldn't it be great to consistently see fifty or more pitchers at our tournaments? If you have ideas, lets get them out in the open, and discuss them.

2015 WSHPA SCHEDULE

WSHPA Horseshoe Flashbacks

By Darrel Koistinen

THE HORSESHOE COURT AND SCORING HAS CHANGED OVER THE YEARS

Our purpose in WSHPA Horseshoe Flashbacks is two fold. We wanted to give our retired and old-timer pitchers stories, statistics, and tidbits out of past Newsletters, as well as give our younger pitchers an appreciation of our horseshoe pitching heritage, not only in Washington State, but nationally as well. We hope you enjoy it!

Stakes - Distance - Points

2015 Renewal Time

See the rate schedule for memberships and newsletter renewals on the inside of the back page. All the subscriptions for ads and the newsletter expire in March. If you have not renewed your ad or your membership, you will not get the April issue, and your ad will not appear. Your club ads and your timely subscriptions are important. As always, if you go south for the Winter, you will have to re-subscribe before you can pitch.

Our family took hours to set up camp on a recent outing. But the couple and three kids who pulled up next to us, did it in mere minutes. "How did you manage that?" I asked the father. "I have a system," he said. "No one goes to the bathroom, until everything is set up."

Without a doubt, horseshoes is the best game....

Horseshoes is better than...**Golf** because the fairways are shorter, and the sand traps are smaller, and horseshoes are easier to find in the rough. Heck, most pitchers go years without losing their horseshoes.

Horseshoes is better than...**Baseball** because you don't need five or six pitchers to finish a game. When a horseshoe pitcher starts a game, he expects to finish it. Although we don't mind walking, we certainly don't condone stealing.

Horseshoes is better than...**Soccer** because it doesn't take 40 games to make 40 points. Almost all our games are "friendlies."

Horseshoes is better than...**Basketball** because we're always shooting from the three point line, and nobody wants to swat your horseshoe.

Horseshoes is better than...**Football** because it doesn't take four hours to play a 60 minute game, there are no yellow flags, no commercials, and you never hear the words "after further review".

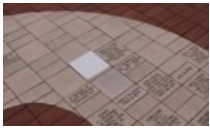

Horseshoes is better than...**Bowling** because you don't have to reset the stakes after pitching, or wear multi colored shoes. Plus we don't pitch moonlight or laser horseshoes.
