Commentary: Jim Link,

Sad to start the new year with this news, but we've lost two unforgettable people of horseshoes'...Ken and Skip. To anyone who has pitched horseshoes for more than ten years in the region, they will be remembered as ambassadors of our game. They were people who were examples of the "rightness" of why we are attracted to the game of horseshoes.

Both of these two were Tournament Directors, Skip at Sunnyside (he built the courts there) and Ken at Yakima. Whenever there was a tournament scheduled at either of these courts, the moment you signed up, you knew you were going to be welcome and would enjoy the day. When you got to the tournament you'd be welcomed with a smile a handshake (when Beth was there 'a hug'), and everything would be in order for a premier horseshoe pitching experience. Those people were the 'essence' of why we pitch horseshoes.

13 years ago Art & Carol Sperber brought several boxes of 'stuff' to Goldendale that represented the 'tools' needed to produce Shoes News. She had been the editor for several years prior to that time and was ready to retire. When President Gene Kuiken needed someone for the job, I had indicated that I had some exposure to the process and would consider the job.

When the time came for him to select an editor, I had decided against taking the job and when Gene told me "You're the only person I've got" in a telephone conversation I got ready for a new adventure.

That first issue was more than a challenge, it was a nightmare. Prior to taking the job, I had

You can shed tears that he is gone, or you can smile because he has lived.

You can close your eyes and pray that he'll come back, or you can open your eyes and see all he's left.

Your heart can be empty because you can't see him, or you can be full of the love you shared.

You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow and live yesterday.

You can remember him only that he is gone, or you can cherish his memory and let it live on.

You can cry and close your mind, be empty and turn your back, or you can do what he'd want: smile, open your eyes, love and go on.

Hi All - Kenny was one of the most respected members in our association. The Pacific Northwest Open started in 1945. It is one of the longest running regional tournaments. Kenny compiled quite a history of the tournament. He had records of all the classes and in what place everyone finished. Ken spent some time in the Tri-Cities a few years ago, shortly after our CBHC was organized. He and Beth were real inspirations to me on what horseshoe pitching was all about and how to get it done. Ken's dedication to the game was only surpassed by his down to earth sense of humor. Many times after the Northwest was finished and all had left to go home, Ken and I would relax on the tailgate of his pickup and swap stories. He always had a fun story or a good joke to send me on my way home with a hearty laugh. He always took great pleasure in telling us that his ringers should could six points each because he flipped them twice and they were twice as difficult to make. He really liked playing against Dean Curry from Ide - ho and would grin and chuckle at the way Dean would mutter and complain after Ken had slid a thirty seven foot shoe for almost three full feet to make a ringer. I really appreciated Ken. He will be missed. Vey

Hello all !
Here we are....ready to embark on another season of horseshoes. I can't wait to catch up with friends and competitors. We have a lot of great pitchers here in Washington. It will take our best games to pull out the win.
Also, with the start of a new season, it is a great time to sign up new pitchers.
Let's not forget to remember our fellow pitchers that have passed on. We have lost two great people this off season. Skip from Sunnyside and Ken from Yakima. As we go forward this is year, let's remember all the great things they meant to us.
Let's have a great season. Happy New Year ! See you on the courts, Don

Elmer C. Schilperoort
Smith Funeral Home
Elmer C. Schilperoort, 89, of Sunnyside, WA died Monday, December 12, 2011 as a result of injuries sustained in a car accident.
Elmer was born on October 8, 1922, the seventh of 12 children born to Teunis J. and Anna (Den Boer) Schilperoort. He grew up on the family farm on E. Edison Road and graduated from Sunnyside High School in 1940. On December 12, 1941, just 5 days after the attack on Pearl Harbor, he married Lola I. Andrews, also of Sunnyside. They both worked in Seattle for a short time, and then returned to Sunnyside to live and raise their family, eventually settling on a farm just a quarter mile from his boyhood home. Elmer was a lifetime member of the Sunnyside Christian Reformed Church and served several terms on the Council. Also, as a strong supporter of Sunnyside Christian School, he was a former member of the School Board. For fun and relaxation, he developed a passion for pitching horseshoes. He and Lola loved to travel to different competitions all over the country. He loved to sing, especially in church, could yodel with the best of them and played a mean harmonica. After Lola died of cancer in December of 1985, he found solace and companionship in Oweda Worst of Yakima, who had lost her husband that same year. They eventually married on November 7, 1987.
Elmer is survived by his wife, Oweda, and his five children, Paula (Rick Jasper) Schilperoort of St. Regis, Montana, Eric

From Barry Chapelle:

Dear Horseshoe Family,

Just a note to let you know that my mother, Daisy Chapelle, passed away on Nov. 10, 2011. She had been in a care center for over three years and was bedridden the past few months, so it is a blessing that the Lord has taken her home.

Several of you didn't know her, but Mom was active in the OHPA for many years, working at the table at the Portland area tournaments and serving as the OHPA statistician while I was the OHPA secretary. She also kept individual records of each OHPA pitcher before the computer came into vogue.

A memorial service will be held on Friday, Dec. 2nd at 11:00 AM at the Holladay Park Church of God, 2120 NE Tillamook St. Portland, OR. 97206.

Long time Grants Pass/Southern Oregon horseshoe pitcher Lino Carnesecca passed away at his home Sat., Dec. 10. There is no service planned, but for those that knew Lino and his family notes can be sent to: Norweda Carnesecca and Family - 5392 Lower River Road, Grants Pass, Oregon 97526. The note I received is attached. Alan Ringo

Hi Vey, Bad news We lost Dad Tuesday morning. He was having trouble with his stomach and was in the hospital for about 10 days..He got pneumonia and that just did him in. The funeral service will be Friday at Shaw and Sons at 11:00. Please pass this along. Thanks, Nancy Wohl

Kenneth F. Carvo

Kenneth F. Carvo, 86, of Yakima died Tuesday. Mr. Carvo was born in Selah and served in the Marine Corps during World War II and the Korean War. He worked for Gilbert Moen Co. Survivors include a son, David Carvo of Eugene, Ore.; a daughter, Nancy Wohl of Yakima; a brother, Robert Carvo of California; and one grandchild. A memorial service will be at 11 a.m. Friday at Shaw and Sons Funeral Directors of Yakima.

Ken was such a sweet, gentle man - one that certainly gave his all for our sport. We will miss him so very much. Can't quite imagine going to Yakima and not seeing him there. Phyl

Ken was one of the first people that Wendy and I met when we traveled to Washington. Him and Beth where always so kind to us, sure made us feel welcomed. They both will be missed. Sam Tomasevic

(Ed: When Barry heard of Ken's funeral)...Thanks for letting me know. I would come, but, unfortunately, that is the same day and time of my mother's memorial service. Barry

Hi Guys, I am hopeful that one of you could read the following note at Ken's service. You already know why I can't be there. Thanks

I am saddened by the loss of Ken Carvo, but am unable to attend the service as we are having a memorial service for my mother as this is being read. Ken, and wife Beth, served our sport well. They were especially active at our annual Pacific Northwest Tournament held in Yakima every September. Ken was our association vice president for close to 30 years and coordinated with the local park bureau to make sure the facility was available and ready for our use, along with spending countless hours working on the courts. He also took care of coffee and donuts for the event. He was just and all around "good guy" and could always be counted on to have things ready for us. My condolences to his family and friends. We will all miss him. Sincerely, Barry Chapelle President - Pacific Northwest Horseshoe Pitchers Association

indicated that I would be producing the newsletter electronically on a computer, a complete 'switch' from the "cut and paste" process that had been used by prior editors. Possible but not compatible with the way I contemplated doing the newsletter, was the 5.5"X8.5" format used previously. In the experience that I'd had, the newsletter was produced on a bi-fold 11"X17" format that had been done at a print shop after the master 'photo-ready' copies had been put together on a computer.

The first issue was more than a challenge, it was gut wrenching. I was familiar with Microsoft's Word program, but not all of it's 'quirks' in doing multi-page documents. When a page gets 'full' in Word, a new page is created automatically. In addition, everyone who has used a computer is familiar with the scenario of going blissfully along creating a document, and all of a sudden, without warning, it disappears. Until I learned to 'save' every few minutes, each newsletter had me pounding my head against the wall in exasperation.

Then I learned about "Publisher", a program that Microsoft created to do newsletters. I promptly went out and bought that program, the difference it made in my newsletter experience was profound.

The next challenge was reproducing photos, and producing the newsletter at a reasonable cost. Print-shops in my local area have no competition, so they're able to charge whatever they can get away with. I found the most economical path was to drive the 110 miles to Portland with the photo-ready master and do the newsletter at a Kinko's print-shop. For the first year or so that is what I did, the cost of fuel was reasonable, so the 220 mile round trip was just part of the adventure.

The price of fuel began to rise. A new "Staples" store opened in The Dalles. The staff there didn't know what they should charge, and for a couple of years I got the newsletter printed on their machines at a very reasonable cost with a 90 mile round trip.

As the staff at Staples matured in their jobs they decided that I was getting too good a 'deal', and they raised their prices. It happened that it was at a time when a new print shop was opening there that was looking for business. The offer they made was even better than Staples, but it involved two trips, one to deliver the 'master' and another to pick up the newsletter.

Again as the 'maturing' process evolved, and the staff became more familiar with the process, their prices began to rise.

About that time the 'state of the art' of printers was evolving to a place where if one could procure a printer at a reasonable price, it was possible to do the whole job without leaving home.

I began to look for a printer...a new adventure. It became clear that the pitfalls that one might fall into were several, and potentially expensive. Fortunately, Hollis Morris's son was running a Hewlett & Packard print-shop in Benton City. His expertise became a valuable resource in finding a suitable HP printer that has been the answer to a host of issues in producing the newsletter. The cost of consumables has been more than I anticipated, but they are coming down, and other than a few issues of (what the hell's happening now?), being able to produce the newsletter at home in vivid color with quality photos is 'priceless'.

We at Shoes News wish all of you the best in the New Year.

WOW
 What is it with this horseshoe pitcher from the West side of the mountain, her name being Carol Sperber? This lady is pitching some incredible games. To think she pitched an 84% game at the Pacific Northwest Tournament! What a great year of horseshoe pitching for you.

You deserve a lot more press than I'm giving you. I'm thinking that the way you are pitching shoes, you might just draw Michelle Ives and Margaret Byfield and others out of retirement. You are a great example of what our game is all about. Maybe you are getting lessons from that guy you live with, his name is Art. Someone told me he knows a little about horseshoes. You may have surpassed his expectations.

We in horseshoes are so very thankful to have folks like you guys leading the way in our sport. Until you get proper recognition for all you are doing, I will sign off with this—Great Job Sperbers.

Russ Phillips Oct 7, 2011. Ed: My apologies to Russ for not getting this in the Oct issue. It was 'lost' in my disorganized filing system.

Since the Christmas holidays are fast approaching, and you may be attending festivities where alcohol might be served, I would like to share an experience with you about drinking and driving. As you well know, some of us have been known to have had brushes with the authorities on our way home from the odd social session over the years.

A couple of nights ago, I was out for a few drinks with some friends and had a few too many wines and some rather nice bourbon. Knowing full well I may have been slightly over the limit, I did something I've never done before - I took a bus home. I arrived back safely and without incident, which was a real surprise since I had never driven a bus before and am not sure where I got this one.

Christmas

The Teacher asked young Patrick Murphy: "What do you do at Christmas time?"

Patrick addressed the class: "Well Ms. Jones, me and my twelve brothers and sisters go to midnight mass and we sing hymns; then we come home very late and we put mince pies by the back door and hang up our stockings. Then all excited, we go to bed and wait for Father Christmas to come with all our toys.

"Very nice Patrick," she said. "Now Jimmy Brown, what do you do at Christmas?"

Well, Ms. Jones, me and my sister also go to church with Mom and Dad and we sing carols and we get home ever so late. We put cookies and milk by the chimney and we hang up our stockings. We hardly sleep, waiting for Santa Claus to bring our presents.

Realizing there was a Jewish boy in the class and not wanting to leave him out of the discussion, she asked, "Now, Isaac Cohen, what do you do at Christmas?"

Isaac said, "Well, it's the same thing every year...Dad comes home from the office. We all pile into the Rolls Royce; then we drive to Dad's toy factory. When we get inside, we look at all the empty shelves...And begin to sing: "What A Friend We Have in Jesus". Then we all go to the Bahamas."
