As I went to print on this issue I am proud to announce that there are two new members to our Horseshoe family. Bonnie and I welcomed our new grandson, Dakotah Cook, into our family on June 29,2018. He was 8lb 12oz and 22.5 inches long. He is Julia and Christopher's 1st child. I also heard that Jon and Carol Turnbull also welcomed a new grandchild into there family as well.

## Message from The Prez

Well here we are..the middle of another horseshoe year and people are getting ready for worlds. We don't have a lot of people going, but it is a long way to travel. To you who are going, thank you for representing Washington. We are proud of you guys and gals. I know you will paint us in the best light. We have 2 pitchers that have a real shot of making noise at the top of their divisions. Matt and Russ are seated in the top of both

their classes. We will be watching them with great anticipation. Good luck to everyone and travel safe. To everyone who played in Burlington, what a day. The sun was out and friendship was at an all-time high. Always nice to play at the courts up there. Thanks to Jon Turnbull and Carol, they worked all week to set up the best classes they could. On the second day, you could see the toll it takes on a couple to try and put together competitive classes. They do the best they can with what they have signed up. Also thanks to the people that came down from North of the boarder. That did make quite a difference on making up classes. Seeing Margaret is as big of a treat as playing. She and her family have done so much for horseshoes. We can't say thank you

enough.

On to some sad news. It looks like at this time we will not be doing the Shoes News next season. With the numbers dropping and the cost to publish, it just doesn't work. We will continue to look at ways to try and bring it back, but for now we are putting it on hold. Also the thoughts of having a big pay out for the first place men's and women's champions

will not happen this year. We found there wasn't enough time left in the season to raise the dollars needed to make the pay outs. We aren't say it won't happen, but for now that is the plan.

Peace arch points! Remember when you travel to Canada we now have a point system in place that works like the Columbia cup. So be sure if you travel north to keep track of your wins and losses. As of now we are behind and we hate to lose. That means now we have to keep an eye out for the south and the north sides of our borders! For you that are just hearing about this, it is a contest that Jon Turnbull and Tom Moffet set up when we were in Abbotsford for the Highwayman tournament. Sounds like a good time and should be a lot of fun.

This is a little off the horse-shoe path but while at a tournament I was talking with Stan Speers and anyone who knows Stan knows he is a real woods guy. So he was asking me if I ever fell any timber. Of course, I am not sure I would know what end of the chain saw to hang on to. So he said he had a tree that he was going to take down and if I wanted to learn something, school was in session. Well one night after work I hauled my cookies to beautiful downtown Toledo and Stan dressed me up to look like a logger. We packed a couple of saws into the woods and after some instruction he let me go at it. What a deal. If you work for a living you feel it! And man did I feel it. It took about an hour and I could hardly stand when I was
