Commentary: *Jim Link*

It's another strange year in Goldendale. It's the 39th consecutive strange year that I've experienced weather wise since I moved here 39 years ago. Old timers here get that strange knowing grin on their face when someone imagines that he or she knows what to expect from the weather gods. We all know that all winter, you can get along with two layers but when spring comes you're best served by finding another one with a good warm hood that will withstand some wind.

So we schedule the early tournament in Goldendale as late as we can. Testimony to what we expect are, what will soon number over a thousand, wind turbines that whirl away on every ridge in this part of the country. Rain is rare after April. Every farmer knows that when it's time to cut hay you go out and cut just enough to make it rain. When that shower is over, chances are that you can go out and cut the rest of it. It'll take 6 to 10 days to cure, and odds are that you'll get it up in good shape.

On the Memorial day tournament this year we got that odd shower of rain. This time, the farmers weren't to blame. They haven't started cutting yet. Thankfully though, it was light and came early enough that the only casualties were some score sheets that had been put out that got a little damp. We managed to protect the stats and the food gals with some umbrellas. Overall pitching was great with scattered patches of sunshine and just enough of a pleasant breeze to remind us that we do live in Goldendale.

And we had two first time pitchers. Bill Buxton, Yakima, and Jim Wilkes, Goldendale tested the Goldendale courts for the first time. Jim pitched to a 2nd place win in Class D. Not bad for his first time out. Welcome to the association guys.

We need to do some work with the scheduling. Traditionally the Memorial Day Open is on a Monday of the same weekend that Oregon City club holds a Sat, Sun, tournament. Then folks who like

will receive cash after the completion of their shift and the return of the judging equipment. The pay for scorekeepers will be \$2 per game. Judges will receive \$10 per shift.

Each player at shoe check-in is to present their 2010 NHPA or Canadian membership card. If you can not, you will have to post a deposit (\$20adults,\$5juniors) that will be refunded if you provide proof of purchase prior to the tournament end. Otherwise, the deposit shall be forfeited. All pitching shoes shall be checked for weight & measure. Pick-up devices cannot exceed 36" nor can the hook be sharp or extend more than 2" out from the shaft. **Pitchers must wear at check-in and during play, a clean shirt with name and state/province professionally lettered at least 1 inch high on the back. Please dress to look sharp. No sleeve less shirts, cut-offs, open toe shoes. No alcohol or tobacco of any kind shall be permitted within the confine of the courts and no carry-ins will be allowed.**

All pitchers are required to turn and water as necessary, one end of the court on which they are about to play. It is mandatory that each player provide pre-game maintenance to the court. **No permanent marks are allowed on the walkways.** When both contestants are on the court ready to pitch, only four warm-up shoes, down & back, are permitted. Observe the foul line and the 30-second time limit to deliver both shoes. Judges will be watching. Be courteous, stand at least 2 feet behind your opponent on the opposite side when he/she is pitching. A short distance player on a court next to a full distance group is required to move all the way to the rear of the 40' platform while your opponent pitches. When you pitch first, do not step to the outside of the platform. Cross over in front so as to not distract pitchers on the adjacent courts. Have a straight edge available and measure your own shoes. Call a judge only if you and your opponent cannot decide the count.

Pacers always pitch last and cannot win the game regardless of the score. Pacers do not require a name on their shirt. Check the computer printouts of standings and final results immediately after posting each day. **It is your responsibility,** if you believe an error has been made, bring it to the attention of the on duty Tournament Director and/or the Computer Room Director within 15 minutes of posting. The directors will evaluate your claim, check the original scoresheet and advise you of their decision, which will be final. Game-by-game printouts can be ordered for **\$1.00 each on your final day of pitching** and will be available at the award ceremony for your class.

Ed:

World Tournament rules, printed above, are a refreshing review for those of us who have attended a World Tournament in the past. For those who have not, if you are able to attend in the future, these are the rules that keep the World Tournament running on a schedule that will accommodate the 1268 pitchers in a two week event. It is a review of both rules and tournament etiquette that can benefit all of us from time to time and serve as a guideline of how we should conduct ourselves during any tournament.

Plan to attend a "WORLD" Tournament. You'll enjoy yourself...guaranteed.

Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman.. 'The detectives want very badly to capture him. Larry asked, "Why didn't you keep him when you took his picture ? "

A Sunday school teacher was telling her class the story of the Good Samaritan. She asked the class, 'If you saw a person lying on the roadside, all wounded and bleeding, what would you do?' A thoughtful little girl broke the hushed silence, 'I think I'd throw up.'

Grants Made by the National Horseshoe Pitchers Foundation

In 2003, the NHPF began issuing grants to construct or upgrade horseshoe pitching courts on public property. While currently capped at \$1,000 due to the limited resources of the NHPF, the Foundation is committed to supporting up to eight (8) grant applicants per year. There is no legal obligation to repay the grant. However, the NHPF Directors may look more favorably upon those applicants who pledge to hold annual fund-raising events to donate something back so the Foundation can continue to support other clubs and grow the grant amounts in the future. The directors review Grant requests in the months of March and September each year. Applications can be found on the NHPF website.

to travel to tournaments in campers and RV's, can take in those tournaments on the weekend, swing up to Goldendale, pitch on Monday and have a full weekend of horseshoe pitching. We get some inter-state Columbia Cup matches going on that way, get some WA pitchers in OR and some OR pitchers in WA. Numbers make tournaments more enjoyable. With numbers we can close up the spread, and separate 30' and 40' pitchers into different classes.

There are some folks to thank for making the Memorial Day Open the success it was. Bob Hummell, performed magnificently, selling 50/50 tickets, thanks goes to Vey Allen for stepping up with his laptop when mine decided to quit talking to the printer and I got to pitch instead of doing stats when Lou Jean Getts put her stats savvy to work on Vey's machine. Thanks to all of you.
