President's Reflections

The horseshoe pitching season is nearly over and we can reflect on the good times we had whether we won or lost. Although our numbers have been diminishing, we were excited to welcome several new members this year. I had the pleasure of meeting them as well as many long time pitchers this year and really enjoyed participating for the first time in the Pacific Northwest Tournament and banquet. A big THANK YOU goes to Vic Magnus, Barry Chapelle, and Phyllis Quist for all their hard work. The State Tournament and banquet in Spokane was terrific as well. A big THANK YOU goes to Cindy and Kaiti and the rest of the Spokane Club for all their work setting up the banquet (which was great), preparing the courts, setting up the tournament, cooking, etc. and thanks to Jerry Conklin preparing the classes, proof reading and printing all the results. The South Puget Sound Open was held on September 25th in Olympia and the results will be in our next Shoes News and don't forget the Odessa Open is on October 2nd. If you have watched Seattle news lately you may have seen a story or two about the encampments at Woodland Park which is where we hold the Seattle tournaments. As soon as the courts and the surroundings are safe, we will start scheduling again. Until then, we have not made any decision on where the Winetrouts will be held in 2022. Thanks to all of you who have directed, pitched, prepared courts and food, kept score, ran computers, set up and tear down, etc. We really have a wonderful group of dedicated, fun loving people. I look forward to serving you in 2022. God bless, Jon.

A few raindrops delayed the opening pitch of the Pacific NW Tournament this year in Kennewick. But it was only a 1½ hour delay and then the weather gave us two days of great pitching. (A little wind beats rain any day!)

The number of pitchers was sadly low but five classes competed in some nail biting finishes. Laurie Dale from Idaho was crowned the Pacific NW Champion. Vic Magus captured Class B, Earl Hertlein Class C, Herb Milbourn Class D, Jeff Watkins Class E and Alex Blanchard Cadet A.

A great banquet was held at the Clover Island Inn. A surprised Jon Martin was awarded the "Mr. Horseshoe" award and there is always a fun gift exchange.

The Columbia Cup this year found its way back to Washington.

Special thanks to Barry Chapelle for continuing to direct and lead this great 3 state tournament that has been in existence for years.

THE MONTH OF OCTOBER 2021: HOLIDAYS, FUN FACTS, FOLKLORE

October 1974

The very first McDonald's in the UK opened its doors in London, and is still operating today!

October 11

Columbus Day (U.S.), a federal holiday, is observed on the second Monday in October.

October 12, 1492

Christopher Columbus landed on a small island in the Bahamas, convinced that he had reached Asia.

October Meteor Showers

Also keep an eye out for the Draconid meteor shower in the late evening of October 9, and the Orionid meteor shower in the predawn hours of October 21–22.

October 31

is Halloween (All Hallows' Eve)!

Do you know the true history of Halloween?

It's not as frightful as you might think...

A BRIEF HISTORY OF HALLOWEEN

The origin of Halloween can be traced to

Samhain the ancient Gaelic festival

(pronounced *sow-in*, which rhymes with

(*cow-in*), meaning Summer's End.

This festival celebrated the end of harvesttime and the beginning of the "dark half" of the year.

It was a seasonal marker as the ancient Celts bid good-bye to warmth and light as day

length shortened. The ancient Celts believed

that the veil between the worlds of the living and the dead was at its thinnest during

Samhain. This had positive benefits, as it was an ideal time to consider the dead,

communicate with the deceased, and also to divine the future. However, the Celts also

believed that some spirits (ghosts) could pass through the wall and damage their crops. To

mark the event, people would build huge

bonfires to burn crops.
