President's Reflections

The cool, wet season on the west side of the state has arrived, and eastern Washington will see more cold, but dry weather which may be better for pitching in the off season. Of course many of you just head for Arizona and pitch in sunny warm weather. But wherever you live, keep clanging those shoes this fall and winter. Remember we have one more tournament in Odessa September 30. Ron has the welcome mat out for all of us. For those who missed the State Tournament and banquet/ general meeting this year, there is a summary of Rhonda's minutes in this issue. With the 2024 World Tournament in Kennewick next July, we will need all our clubs to "pitch" in

to support the national team prior and during the tournament. More information will be coming as we get closer but please block out your calendars now. The actual tournament is July 29-August 10 and the upper classes will be pitching the first week and the lower classes, the second week next year. But we need lots of hands on deck prior to the tournament to set up the clay courts inside and other tasks. During the tournament we will need to provide score keepers, judges, greeters, and sharing time promoting the game at our Washington State booth. Plenty to do, but lots of fun and a great opportunity to promote the game of horseshoes and raise our memberships! God's blessings to all, Jon.

"MR. HORSESHOE"

The "Mr. Horseshoe" is always a special award given at the Pacific Northwest Tournament every year.

This year the recipient was a man who has been in our midst for many years. He has been a faithful horseshoe pitcher and is always there to pitch in and help when needed. He has single handedly run his club and maintained the courts for his tournaments. He is the kind of person who makes up the backbone of our organization.

This years' "Mr. Horseshoe" plaque was awarded to Ron Heutink.

Congratulations! The Pacific Northwest Tournament brought 34 pitchers to sunny Kennewick. The six classes created good competitive pitching.

Three classes ended day two with playoff games.

George Green and Blanca Hettinga battled it out with George claiming the title of Pacific N.W. Champion. Class B champion was Vic Magnus defeating Debi Luther in the playoff.

Cyrus Squeochs took first in Class C and Class D playoff between Jay Sumpf and Dave Swander found Jay the winner. Jeremiah DeMello claimed Class E champion and Carol Bonds was Class F champion.

A great banquet was held at the Clover Island Inn with an always fun gift exchange.

Russ Watkins, Pres., Jeff Watkins, Sec/Treas., and Vic Magnus, 1st V.P.

were all re-elected as officers for the coming year.

Thanks to everyone who helped make this years' tournament a great success.

A DREAM COME TRUE!

The State of Washington is excited to be the site of the
2024 World Tournament.

We extend the warmest welcome to **all** our family of horseshoe
pitchers to join us next year.

We are the home of many outstanding past horseshoe pitchers. You
may recognize some of these names – John Monosmith, Ed Fiscel,
Henry Knauft and Winnie Winetrout, and of course our great pitcher,
Russ Phillips, who we all miss so much.

The Toyota Center is a great facility to the host this tournament and
the

Tri-Cities Visitors group is covering all the bases.

The Washington Charter is excited and planning to help make your
stay in our beautiful state a lasting experience.

We'll be at the door to greet each one of you.

Come one come all!

ANNUAL MEETING/STATE TOURNAMENT SUMMARY:

The 2023 Washington State Horseshoe Tournament, annual meeting and banquet were held in Olympia over the Labor Day weekend. The weather was fine and we had a really nice time together, despite Jon's computer entries with handicaps...Thanks to Bonnie Lewis's heartfelt encouragement to Jon and to Larry Lewis for saving him from total disgrace, correcting the entries.

This year's State Champions are: Elder class- Don Linbo, Men's class- Matt Fuller, Women's class- Cindy Clausen, and Cadet class,- Jeremiah DeMello.

CONGRATULATIONS to each of you and thanks to everyone who participated by pitching, score keeping, prepping the courts, and supporting our horseshoe family.

Below is a summarized version of the report by State Treasurer and Secretary, Rhonda, from our general meeting...

Although membership increased by 8 this year, we are down 55% over the last 11 years. When you renew your yearly membership in Eshoes, please select the "Renew" button and if you are a new member, choose the "join" button. There are a number of duplicates in eshoes. Contact Rhonda if you have any questions.

There were several late entries into the state tournaments again this year. Please be aware of the date that the form must be received by. **No call-in entries will be accepted next year.**

State pins are available for \$3 each. These are nice to give to your competitors at the world tournament or if you are traveling out of state to different tournaments. State polo shirts are available with your name on them. See Rhonda for an order form.

Game related sales inventory will not be replenished. We are going to sell off what we have. The current inventory list is being published in the Shoes News.

Need new club information for website. Wait until after your club elections. Contact Rhonda for any updates. The tournament reconciliation form is available on our wshpa.com website under "schedule". We will continue to use the website for the state singles/doubles sign up forms. We will get the class information out on the website as soon as they are available. **In regard to social media for horseshoes, please verify information before posting.**

Vic Magnus is the interim Regional Director. Curtis Lee has stepped down. **If you did not complete your court sanctioning forms this year, please do so and send them to Vic Magnus.**

Curt sent the forms to tournament directors earlier this year. Vic asked if anyone has done their court sanctioning, please contact him. Courts need to be re-sanctioned every 4 years. He also added that Kennewick will be getting a face lift in time for the world tournament.

If you are being charged to use your own courts at the parks, a recommendation was made to take a pro-active approach to try and eliminate the fee charged. Contact your parks department and city officials.

Other discussions included:

Moving the state singles tournament from Labor Day weekend. Moving the state doubles tournament to a Sunday following a Saturday tournament during the regular season.

Some Arizona tournaments have handicaps if the percentage spread is more than 10%.

Pay score keepers \$1 per game instead of \$.50

Encourage more car pooling and moving start time to 10 or 11 AM.

Opening your home to those who travel long distances for tournaments

Suggest those who do not have a club, join one or start their own so they can have a vote at the executive board.

Gene Lindbo would like to see the state singles tournament moved to sometime other than Labor Day weekend. Labor Day weekend is family time. In Arizona, they split their state singles and doubles to different times of the year. Per Gene, Arizona publishes the tournament results via email as soon as their tournament is over. They don't have a Shoes News publication. Note : Eshoe posts all tournament results as soon as they are submitted.

In Arizona if the percentage spread is more than 10%, they handicap. It makes for a more even playing field.

Would like to see scorekeepers get paid \$1 per game instead of 50 cents.

Barry noted that we have not changed our rules to change with the times. Encourage others to carpool. Also, start the tournament later, so you don't have to come on Friday night to be available for a Saturday tournament. Idea, start tournament at 11 am, so the drive can be made easily on Saturday morning. Think about opening up your home to those who travel to tournaments near you.

Those who don't belong to a club, how do they get a vote at executive board. Suggestion was to join an existing club or start your own club.

Create a survey for members to get input into executive board for suggested changes.

(CINDY CLAUSEN HAS SENT THIS OUT BY EMAIL. THANKS CINDY.)

Goal is to get 50% new members due to the world tournament being held in Washington this coming year. Everyone needs to get in 4 tournaments to be eligible for the world tournament. Think about making your one day tournaments into two-day tournaments.

Election of Officers

Second vice president, currently held by Cindy Clausen was re- elected.

President, currently held by Jon Martin. Nominees were Don Davis. Don was elected to that office.

Jon thanked everyone for the support he was given as he served as our president.

Thank you to the Olympia club for hosting this year's state tournaments. They did a great job!

Banquet was great. Bid on location of the 2024 state singles and doubles: Burlington/Skagit. There were no other interested clubs.

The state singles will be held in Burlington Labor Day weekend 2024.

The state doubles 2024 will be held in combination with another tournament.

Place and time TBD.

New Plaques Award

First time plaques were awarded to : George Green, Nora Lindbo, Larry Pelham and Debi Luther.

Janessa Knudsen also received a plaque, but was not present. Phyllis handed out the plates that were earned this year.

Hall of Fame Inductions

Gaylord Lund was inducted into the Hall of Fame for 2023. He was honored for his thoughtfulness on and off the courts and longevity in the sport and his willingness to help out in many aspects of our sport.

Hall of Fame nominations must be submitted by May first.

He scored 28 points and Rosalie Knutsen was 2nd with 19.5 points.

Blanca Hettinga lead Oregon with 62 points and Russ Watkins was second with 30 points.

The final tally for 2023 was 204 for Washington and 192 for Oregon

Congratulations to all of you!

October is best known for its [Halloween festivities](#), but it's also a month loaded with national and global holidays and celebrations.

The Origins of Halloween

Halloween is actually a 2,000-year-old celebration of the Celtic New Year (called Samhain) and the end of summer when bonfires were lit and revelers would wear costumes to ward off evil spirits.
