President's Reflections

Greetings everyone and congratulations to all our Washington state pitchers who participated in the World Tournament. You represented us well in Winnemucca, NV. Our members are proud of you whether this was your fortieth time or your first time pitching in Worlds.

Thank you, Phyllis, for writing an article with the details for this edition. I am still kicking myself for not entering and sorry I was not there supporting our delegation. But I am looking forward to seeing many of you at the State Tournament Labor Day weekend in Spokane. It is such a pleasure pitching and competing with our members and most, if not all of us would agree that the friendships and comradery we have is so wonderful. We are blessed. Take care and God bless.

FUN FACTS ABOUT SEPTEMBER

This entry was posted in [Fun Facts](#) on [September 9, 2020](#).

The Storage Inn in Egg Harbor Township, New Jersey

The name "September" comes from an old Roman word, "septem," which actually means 7. That's right – September was the seventh month of the year on the Roman calendar – It did not become the ninth month until the advent of the Gregorian calendar.

The Romans believed that September was looked after by the god of fire. So they always expected fires and volcanic eruptions to occur during this month.

Out of all 12 months of the year, September is spelled with the most letters. It contains nine letters, and it happens to be the ninth month of the year. No other months have the same amount of letters as their number in the calendar year.

This September "Harvest Moon" is the fullest moon of the year. When you gaze at it, it looks very large and gives a lot of light throughout the entire night. No other lunar spectacle is as awesome as the Harvest Moon.

The first day of fall is typically on September 22 or September 23 in North America. This is when the hours in the day are almost equal to the hours in the night. This occurs at the same time as the Spring Equinox does in Australia.

A little-known, but highly significant holiday falls in September. September 17th is Constitution Day, which marks the day that the U.S. Constitution was adopted.

There are more pop and classic songs with "September" in the title than any other month.

We all know that Labor Day is in September, but did you know that September also has a few little known holidays? Among these are National Grandparent Day, National Cheese Pizza Day, and National Drink-a-Beer Day.

September is known as Harvest Month. It's a great month to harvest in preparation for the coming winter months. In fact, in Old England, it was called "Haervest-monath", meaning Harvest Month. Some of the best crops to harvest are onions, apples, raspberries, and tomatoes.

The birthstone for September is the sapphire which is said to reduce inflammation, treat fever and act as a lucky charm for the person wearing it. It symbolizes intuition, clarity of thought, peacefulness, as well as loyalty and trust.

So now you are ready to go with some fun facts about the month of September courtesy of [The Storage Inn](#).

18 Washington State pitchers traveled to Winnamucca, NV to compete in the 2021 World Tournament. After the first three days, Jim Quist emerged a 2nd place winner in Elder Class G1 (trophy in hand and check in Phyl's hand!). Gene Wertman claimed 5th place in Elder F2. The second three days Bill Martino earned a 2nd place trophy in Class E1 and John Turnbull cashed in at 4th place in Class D2. The 2nd week of pitching found Bonnie Lewis cashing in at 4th in Women's D Class and Shelly Ryder was crowned Class Champion of Women's C – Congratulations to all our winners. Russ Phillips, Matt Fuller and Shelly Ryder all qualified for the Championship Finals.

Many of our Washington group gathered a couple times for dinner together. When we converged on a restaurant they'd have to open up a back room for us.

Winnamucca is a small town but the friendliness and welcoming was done on a big scale. A free tour of a silver mine was offered and also a Wild Life tour. One motel/casino had a free slot tournament each afternoon just for horseshoe pitchers. Another unique offering was a "Charm Trail".

At check-in one could buy a charm bracelet and then most stores in town had their own special charm you could purchase for \$2.00. Winnamucca did a great job at hosting the World Tournament. (Except for the flies, which were declared the state bird, this tournament was near perfect.)

We truly have a special group of folks who represent Washington State. Congratulations to all who participated.

World 2

September 11, 2001, changed the shape of the world forever. It was on this fateful day that the [worst terrorist attack on US soil happened](#) when four commercial airliners were hijacked. Two of the planes were flown straight into the [Twin Towers](#) of the World Trade Center, and another was crashed into the Pentagon. The fourth plane crash-landed into a field in [Pennsylvania](#) after the passengers of the flight attempted to regain control of the plane from the terrorists.

September is graced with having two different birth flowers. The two flowers are the vibrant aster and the beautiful yet resilient morning glory. The significance of both flowers is actually very similar, with the aster being said to represent love, while the morning glory represents affection.

September begins on the same day of the week of just one other month, [December](#).

September 2, 1666, was a terrible time for the city of London. A raging fire broke out within the older section of the city, completely destroying all it touched within the ancient Roman walls. What's most surprising about this tragedy is that there were only 6 recorded deaths!

The first newspaper to ever be put into print in the US was published on [September 25](#), 1690. The paper was called Publick Occurrences Both Foreign and Domestick and was published in Boston. The newspaper was to be rather short-lived, as the British were displeased with its contents and put a stop to it straight away.

September 17th is an incredibly important day for the US, as it was on this day in 1787 that the US Constitution was adopted. If it weren't for the Constitution the US could be an incredibly different country today, with far fewer civil liberties!
